Title of Invention: SHELTER (Utility Patent Application)

I have reviewed the above-identified patent application, and I approve it for filing with the U.S. Patent and Trademark Office.

My review included the following aspects of the patent application:

- a. the most pertinent prior art of which the drafter is aware;
- b. the scope and form of selected claims;
- c. the adequacy of disclosure, including compliance with the best mode requirement of 35 U.S.C. § 112.

Date: September 23, 2003
